

Master's Programs Length: 2.5-3 years

SCHOOLS	MAJORS
001 School of Aeronautics	Aircraft Structures and Airworthiness Technology Fluid Mechanics Means of Transport Applied Engineering Flight Vehicle Design
002 School of Astronautics	Navigation, Guidance and Control Aeronautical and Astronautical Science and Technology
003 School of Marine Science and Technology	Acoustics Information and Communication Engineering Naval Architecture and Marine Engineering Armament Science and Technology
004 School of Materials Science and Engineering	Materials Science Materials Processing Engineering
005 School of Mechanical Engineering	Mechanical Engineering
006 School of Mechanics, Civil Engineering and Architecture	Solid Mechanics Civil Engineering
007 School of Power and Energy	Power Engineering and Engineering Thermophysics Aeronautical and Astronautical Science and Technology
008 School of Electronics and Information	Electronics Science and Technology Information and Communication Engineering
009 School of Automation	Electrical Engineering Control Science and Engineering
010 School of Computer Science and Technology	Computer Science and Technology Software Engineering
011 School of Natural and Applied Sciences	Pure Mathematics Computational Mathematics Applied Mathematics Operational Research and Cybernetics Optical Engineering Materials Physics and Chemistry
012 School of Management	Management Science and Engineering Business Administration
013 School of Humanities, Economics and Law	Applied Economics
014 School of Software and Microelectronics	Software Engineering
015 School of Life Sciences	Biology Biomedical Engineering
016 School of Foreign Languages	English Language and Literature Foreign Linguistics and Applied Linguistics

Ph.D. Programs Length: 3-5years

ABOUT XI'AN

Ancient City

A word-famous ancient capital city with 3000 years of history, and one of the birthplaces of the Chinese nation.
The starting point of the "Silk Road".
The first city in China's history to open its gates to the world.

2018

Northwestern Polytechnical University

Chinese Government Scholarship Program

XI' AN • CHINA

Why NPU?

Located in the historic city of Xi'an, cradle of Chinese civilization and terminus of the ancient Silk Road, Northwestern Polytechnical University (NPU) is the only multidisciplinary and research-oriented in China that is simultaneously developing education and research programs in the fields of aeronautics, astronautics, and marine technology engineering. NPU is one of the first 22 universities to have established a graduate school. It was one of the first universities to enter into the 211 Project in 1995 and the 985 Project in 2001. NPU is a member of the "Outstanding University Alliance" program and is honored as a National Role Model Unit, a National Pioneer for Optimal Advanced Basic-level Party Organization and a Model University for Graduate Employment etc. Now NPU will continue to pioneer new pathways into the future in the process of building a world first-class university and world first-class disciplines.

NPU has 16 academic schools, offering 65 undergraduate programs, 120 postgraduate programs, 71 doctoral programs, and 17 postdoctoral programs. The university has more than 3,600 faculty members, including 1,800 full-time and associate professors, 27 scholars from the Chinese Academy of Sciences (CAS) and the Chinese Academy of Engineering (CAE), 31 chair and lecture professors from the Cheung Kung Scholars Program, and 14 recipients of the National Science Fund for Young Distinguished Scholars. Currently, the university has 26,093 students, including 14,451 undergraduates, 8,017 master's degree students, 3,625 full-time PhD candidates and 2,521 professional degree students.

NPU sincerely welcomes all outstanding international students to join NPU and pursue higher education here!

I Duration and Standard of the Scholarship

Study Duration

Master 2.5-3 years

Ph. D. 3-5 years

Category	Tuition	Dormitory Housing	Stipend	Comprehensive Medical Insurance	1-year Chinese Preparatory Study (Optional)
Master	Free	Free	3,000RMB/month	Free	Free
Ph.D.	Free	Free	3,500RMB/month	Free	Free

Students who are not proficient in Chinese language can apply for Chinese language studies for 1 year before their major studies. Please note the duration of scholarships shall NOT be extended.

Attachment is the programs for master students and Ph. D. students.

II Eligibility

- 1 Applicants should be non-Chinese citizens, and healthy;
- 2 Applicants who apply for the master's scholarship should get their bachelor's degree and be under 35;
- 3 Applicants who apply for the Ph.D. scholarship should get their master's degree and be under 40;
- 4 Applicants are not required to have HSK examination results or Chinese language learning experience because NPU offers classes in English medium;
- 5 Applicants should have good academic marks;
- 6 Applicants should have strong capacity in scientific research.

III Application Documents and Procedure

1. Application form for Chinese Government Scholarship
2. Notarized highest diploma
3. Academic transcripts
4. Two letters of recommendation
5. A study plan
6. Notarized copies of research achievements
7. Certificate of English/Chinese proficiency
8. A copy of valid passport
9. Physical Examination form
10. Others

Applicants should apply online first, and then sign it and send TWO printed copies of the documents to the International College of NPU by post.

Application Deadline: Mar. 16, 2018.

Notes:

- 1 Applicants should register and apply online on the following web page: <http://www.campuschina.org/> (TYPE B, the agency No. for NPU is 10699). Please provide the address, passport No. and contact No. correctly and in detail since we will send the admission notice through these messages.
- 2 After the online registration, applicants should print the auto-generated Application Form for Chinese Government Scholarship and submit it to the International College in principle.
- 3 Notarized highest diploma or certificate. If the applicant is studying in university or working in company, he/she has to submit the studentship certificate (notifying graduation time) or working certificate produced by his/her university or company. If the certificate is not in English or Chinese, it has to be notarized in English or Chinese.
- 4 Transcripts or notarized transcripts if they are neither English nor Chinese.
- 5 A study plan in English or Chinese (not less than 800 words for master's degree applicants; not less than 1500 words for doctor's degree applicants).
- 6 Recommendation letters in English or Chinese by two professors or associate professors.
- 7 Non-native English speaker should provide certificate of English/Chinese proficiency, such as HSK4, TOEFL 80, IELTS 5.5(or above), GRE, etc.
- 8 Physical Examination Form. Applicants should strictly follow the requirements of the Physical Examination Form. It will be invalid if there is page missing, or no photo or no seal on the perforation or no signature by the hospital or doctor in the form. The result of the examination will be valid for 6 months. Please arrange the time of your physical examination appropriately.

IV Others

- 1 The result of the first round of selection will be released around April 2018. The result of the admission will be finalized around July 15th, 2018 (depend on the final result from CSC). The Scholarship awardee needs to register at NPU before Sep.15, 2018, otherwise it will be regarded as renouncing his or her Scholarship.
- 2 The admitted students cannot change the university, major and duration of study.

V Contact Us

Applicants should mail your documents to the following address:

GAO Yu
International College of Northwestern
Polytechnical University
Address: No.127 Youyi Xilu, Xi'an,
Shaanxi, China.

Zip code: 710072

For any inquires please contact us on any of the below:
